Dear Mr. Barrios:

We are pleased to inform you that Wholesale Electric Caribe, Inc. has been re-certified as a MBE by the City of Orlando. This certification is valid until 11/30/2018. This Certification is specifically for the approved line(s) of business specified and does not automatically certify your company in any other commodity or service. As a condition of continued certification you must file a Re-Certification Application not less than sixty (60) days prior to the date of expiration of the existing certification. Failure to file this application will result in the termination of your certification. However, if at any time the ownership, control, location and/or minority/women-owned business status of your firm changes, the City of Orlando MBE Official should be notified immediately of the changes.

Please be advised that all M/WBE provisions of Chapter 57, Articles II & III of the Code of the City of Orlando must be maintained in order for your firm to retain its M/WBE Certification status. Be advised that failure to maintain compliance with the above noted requirements will result in termination of certification.

Your firm's participation on City of Orlando contracts will be credited only toward MBE goals for the certified line(s) of business listed. While your participation on City of Orlando contracts is not limited to your certified line(s) of business, credit towards MBE goals will be given only for work done in the area(s) which your firm is certified for.
